

CPSC ADULT INDOOR SOCCER LEAGUE RULES and REGULATIONS

Team and Player Registration

- ⚽ Each team can register a maximum of 15 players.
- ⚽ Team registration fee is \$1802.35. Individual player registration fee is \$180.00. All players will be subject to an additional \$20 fee to cover OSA Insurance and Liability.
- ⚽ Any CPSC member who has an outstanding balance on their account will not be eligible to be registered with the AISL until the account is brought into good standing. CPSC will notify AISC and Beckwith Township when the issue is caught and when it is resolved. The player will be eligible to have their OSA insurance registration completed by CPSC after the account is in good standing. The player will be eligible to play 24 hours after they have been registered by the CPSC.
- ⚽ **The AISL does not refund player fees. As team fees need to be paid in full, the team in question will be responsible to arrange any player refund.**
- ⚽ Registration forms and OSA Insurance and Liability forms, as well as all player fees, must be paid in full prior to a player participating in any AISL match. This must be submitted to the Township of Beckwith a minimum of 48 hours prior to the first match played. The AISL convenors will not accept any of the aforementioned forms or payments. Players will not be eligible to play until 48 hours after all forms and fees have been received.
- ⚽ A team representative is required to complete and submit the Team Registration Form in its entirety and a Player Roster Form. All players must complete and submit a Player Registration Form.
- ⚽ The age for Women's Open and Co-ed is 18 years of age or older. A player must turn 18 years of age within the calendar year to be eligible to register. For example, if an individual is 17 at the start of the fall session but is turning 18 in December, then he or she is eligible to register.
- ⚽ The age for Men's Oldtimers is 35 years and older and Women's Over 30 is 30 years and older. A player will be eligible to participate if he or she is of that age within the calendar year. For example, if an individual is 34 at the start of the fall session and turns 35 in November, then he or she is eligible to register for the Men's Oldtimers division.
- ⚽ Team captains are required to submit an electronic copy of their team roster to the AISL convenors at least 48 hours prior to their first game for verification. If there are changes to a team roster, the AISL convenors must receive a copy for verification at least 48 hours prior to the following match.
- ⚽ Team roster must identify the team's primary goalkeeper. There is an exception to the call-up rule specifically built around the presence of this identified primary goalkeeper. Should this primary goalkeeper suffer a serious injury, the team captain is to contact the AISL convenors immediately.
- ⚽ All players can be registered in up to three divisions simultaneously (e.g. you could play in Men's or Women's Open-Age, Men's or Women's Old Timers, and Mixed Open Age). Men cannot play in the Women's leagues. Women may play in the Men's leagues, subject to request by the player and team and approval by the CPSC Adult Indoor Soccer League Convenors.
- ⚽ Fully registered players (see above) may be added each session to team rosters **up to game day on week 11 of each division (not on game day)**, after which rosters are frozen. Teams wishing to add players to their roster after this date must submit a letter to the Adult Indoor Soccer League

Committee requesting permission and stating the reason for the request. The decision of the Committee is final.
