- All games that finished tied after regulation will have the winner determined by kicks from the penalty mark as per FIFA law, with some exceptions. The following is the procedure for the kicks.

  2. Kicks will take place at the end nearest to the change rooms.
  3. a) All players on each team, on the field and substitutes, are eligible to participate in the kicks, except:
    - b) NO call up players are eligible to take part in the kicks from the penalty mark. Only players on the team roster are eligible.
  4. Each team must have the same number of eligible kickers.
  5. Both teams take **five (5) kicks**, taken alternately by the teams.
  6. Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick.
  7. An eligible player may change places with the goalkeeper at any time when kicks from the penalty mark are being taken.
  8. The penalty mark is at the **top of the penalty arc**, centred between the goal posts.
  9. When not in the net, the shooting team's goalkeeper must be along the goal line, no less than 10 yards from the net, and not making any gestures in an attempt to distract the opposing team.
  10. Spectator interference: should, in the referees opinion, spectators interfere with the process by making exaggerated body gestures or abrupt, loud noises, a re-kick may be ordered at the referee's discretion.
